To all Friends of Wanda Cemetery:

Since its formal inception in 1834, the Wanda Cemetery has endeavored to maintain unsurpassed excellence in the level of care and maintenance of its hallowed grounds.

If you drive through the Cemetery, you will notice very well-preserved grounds, monuments of loved ones, and memorials dedicated to first responders. You will also see tributes to military veterans who have served in every conflict since the Revolutionary War.

The Wanda Cemetery, a 501(c)(13) non-profit, charitable organization is conducting its first annual fund raiser. The Cemetery is seeking your tax-deductible donation to help sustain the Cemetery. We are asking everyone who has reserved plots, loved ones buried in the Cemetery, or who has an interest in the Cemetery to contribute to it. Financial support from the business community, family, and friends will enable the cemetery to continue its current state. Indeed, part of honoring the memory of our loved ones is seeing to the funding of the physical upkeep of the cemetery, monument maintenance, mowing, weed eating, tree limb removal and disposal, wilted flower removal and disposal, and overall maintenance of the grounds.

Please make your donation via GoFundMe at <https://www.gofundme.com/f/wanda-cemetery-fund> or by check to the Wanda Cemetery and mail it to the above address.

We appreciate your support while we take this much-needed step to maintain your cemetery. With a combined effort from everyone associated with the Cemetery - no matter the size of the donation - we can continue to make Wanda Cemetery a memorable place for everyone to visit and enjoy.

If you have questions or need information about the Cemetery, please contact one of the board members at the e-mail address listed below or write us at the above address.

Your support is vital to the continued upkeep of the Cemetery's hallowed grounds.
